1. Proof of liability insurance must be provided to the Secretary with this form before requested marina services are allocated and whenever updates are requested. Electronic or paper copies will be accepted. The club and its membership are not responsible for any damages to vessels and equipment or injury to persons caused by boater-use of our facilities.

2. Slip and mooring renters must have paid all PYC invoices in full or their spots will be given to a boater on the waitlist. Boaters with outstanding bills will be put on the waitlist until all payments are made. Any questions/concerns regarding outstanding bills should be directed to the Rear Commodore.

3. Slip renters must ensure their berth is kept neat and tidy and they shall not store equipment, refuse, etc, unless approved by the Rear Commodore.

4. Slips must not be modified in any way without the approval of the Rear Commodore.

5. All slip rental changes/re-leasing, (short term or long term) must be approved by the Rear Commodore. Permission may be granted provided the change is fair to other members and does not put the Club or other boaters at risk.

6. The black flotation dock on the Southwest corner of the Main Wharf is reserved for the Learn to Sail Program. This cannot be used by boaters during weekdays unless permission is received from the Learn to Sail Director. Weekend-use may be possible if approved by the Rear Commodore.

7. The Club reserves the right to expel a boater from a slip or mooring if complaints are raised and founded. Boaters are expected to promote safe and responsible boating and uphold the image of the Club.

8. Volunteers on the management team have the right to move boats if necessary.

9. Boats that are stored year-round must have their mast down to allow for boats to be moved around safely under power lines in the yard.

**I have read and understand the statements above. My signature attests my agreement to comply with these requirements.**
